

# Turn Your Trash Into Cash!

## Enter your recycling invention into the 4th Annual Mayor's Young Inventor Challenge and win up to \$500 in Wal-Mart gift cards!

Have a great idea for a new  
invention using old materials?  
**Enter today!**

Mayor Healy is holding his second annual *Young Inventor Challenge* to reward those students in grades 7-8 and 9-12 who find creative ways to make new inventions out of the garbage we throw away every day!

Students with winning inventions in each age group will earn a Wal-Mart gift card for \$500 (1st Place), \$250 (2nd Place), and \$100 (Honorable Mention) for their inventions, and will also receive a plaque commemorating their achievement. Sound interesting? Grab your entry form and a copy of the rules from any science teacher!

**Deadline for registration is April 10, 2011.**  
**Questions? Call 330-438-4301 and ask for Alexis to receive more information!**

**Who:** Students in grades 7-12\*
