### **For Immediate Release**

#### **Canton City Health Department E-Waste Collection Center Open Martin Luther King, Jr. Day**

The Canton City Health Department announces the Tire Disposal and E-Waste Collection Center will be open on Monday, January 21, 2013, Martin Luther King, Jr. Day. The Center is located at 742 Schroyer Ave. SW, in Canton. Hours for this holiday collection day will be from 9:00 am - 1:00 pm.

The Center accepts any item that operates with electric or batteries. Steel office furniture, exercise equipment, small lawn or garden equipment, and hangars will also be accepted. There are NO fees for items dropped off for recycling.

“The special Saturday drop-off day earlier this month was hugely successful,” said Mark Adams, Director of Environmental Health at the Canton City Health Department. “We hope being open on this Monday holiday will provide an extra opportunity for people to drop off electronics or other items for recycling. The more items we see dropped off at the recycle center, the less we see discarded in our neighborhoods. We highly encourage you to take advantage of this additional drop-off day,” he adds.

This important service is open to all Stark County residents, at no cost.

Additional information is available from the Canton City Health Department: 330-489-3327 or by calling the Tire Disposal and E-Waste Collection Center: (330) 430-7869.
