## Bid Questions and Answers

### **Question 1**

Item 3.2.8 states that the building is to have magnetic door locking system. There is no other wording that list any electrical appurtenances, like lights, heaters, hand dryers, electrical panel, exterior lights, GFI outlets?

#### *Question 1 Answer*

**The City of Canton is interested in purchasing a CXT Cortez or similar model per section 3.2 of the bid specifications. All restroom facilities bid should include all items and features that are included with the standard CXT Cortez model. Any additional items or features the City requires are included in the original bid package specifications. Information regarding the CXT Cortez specs can be found by visiting the following website.**
