- B. The Bidder agrees to furnish implementation reports to indicate the minority business enterprises which it has or intends to utilize. The first report is due five (5) days after notification to the lowest and best bidder. The second report is due at 40% completion.
- C. It is the goal of the City of Canton that at least ten percent (10%) of the total of all contracts be expended for bonafide minority business enterprises.
- D. If the ten percent (10%) minority business utilization cannot be met, a waiver can be granted by the Board of Control upon recommendation of the Director of Public Service and/or Safety. To justify a waiver, it must be shown that every feasible attempt has been made to comply, and it must be demonstrated that sufficient, relevant, qualified minority business enterprises (which can perform subcontracts or furnish supplies) are unavailable in the market area of the project to enable meeting the ten percent (10%) minority business enterprise goal.
- E. Failure to comply with the Minority Business Enterprise Utilization Commitment will not be grounds for the forfeiture of a bid bond so long as a "best effort" approach to comply with such commitment can be demonstrated. If such compliance cannot be obtained, the bidder shall furnish written evidence to justify that he has made "best efforts" to comply with the Minority Business Enterprise Assistance Program. A representative of the City of Canton will monitor and determine whether or not a good faith effort to comply with the Minority Business Enterprise Commitment has been made.
- F. In light of the above, the Board of Control will still award the contract to the lowest and best bidder. Breach of this commitment constitutes breach of the Bidder's contract, if awarded.
- G. The undersigned hereby certifies that he or she has read the terms of the commitment and is authorized to bind the Bidder to the commitment herein set forth.
