ADDENDUM NO. 2

PROJECT MANUAL
Water Park Facility Project at
EDWARD 'PEEL' COLEMAN CENTER
1400 Sherrick Road S.E. – Canton, OH 44707
BSA Project No. 11044

TO ALL BIDDERS:

This Addendum, hereby modifies, supplements, and amends the Bidding Documents, including Bidding Requirements, Contracting Requirements, Specifications, and Drawings for all labor, material, and equipment of every nature and required for the execution of the entire work for: Water Park Facility Project at Edward "Peel" Coleman Center. Documents being modified are those dated December 13, 2013 Issued For Bid, as prepared by Braun & Steidl Architects. Wherein this Addendum varies or is in conflict with the Bidding Documents, the requirements of this Addendum shall govern. In all other particulars, the requirements of the original Bidding Documents, including any previous Addenda, shall govern. **Bidder must indicate receipt of ALL Addenda in writing with their Bid.**

SPECIFICATIONS:

ITEM 1

Modifies:

Official Bid Packet

Attachment:

None.

Revision:

1. Page 2: Legal Notice

Revise last paragraph on page to read: Each bidder must print this entire packet and submit in its entirety. The city requests bidders submit one original and two copies of the entire bid packet, including the proposal, when the bid is due.

2. Page 22: Bid Form 2 – Bid Guaranty

See this page for information on requirement for Bid Guaranty and Contract Bond. The City of Canton does not provide the bid bond form. Please review the Bid Guaranty instructions on Page 22 of the bid packet. Ohio Revised Code 153.71 (<http://codes.ohio.gov/orc/153.571>) provides the necessary language.

3. Page 33: Bid Form 6: Minority Contract Provisions

Clarification: There is no requirement based on a percentage for minority participation. Please review Bid Form (Pages 33-34 of the bid packet) for specific information in minority participation goals.

ITEM 2

Modifies:

Section 01 23 00 - Alternates

Attachment:

None.

Revision:

1. Part 3 Execution

3.01 Schedule of Alternates

C. Revise to read: All work associated with 2-5 Year Old

Sprayground Area. Extent as indicated on the drawings. Base Bid to include stub-out of water lines from building per Drawing SP3.1.

The alternate shall include all other piping, equipment, pads and concrete work. Base bid shall include seeding of the area instead of the concrete pad.
