PUBLIC SPEAKS

PRESIDENT SHERER: We are now under Public Speaks and we have one speaker for this evening...Miss Kimberley Bell. Miss Bell, could you please state your name and residential address?

KIMBERLEY BELL: Thank you, may I ask you to excuse yourself.

PRESIDENT SHERER: And Miss Bell could you flip the mic up?

KIMBERLEY BELL: Oh...again I going to ask that you excuse yourself because we're both running for Mayor. But if you not, you're not...ok. Alright I...I...uh 1733 Morris Ave. Canton...um...I asked...a couple of times I wasn't able to address the issues because I ha... I wasn't here. But the Canton Police Department...I...my cousin for one, she on Christmas day, the police come to her resident and about...um...a family matter. And...she was arrested. I don't want to go into details cause it's still a case being handled by Jason Reese's office. But...and then, this passed week I called the Police Department to get a officer's name, and I was...I was told...(inaudible) the young lady badge...I forget the badge number. Her name was Ashley and she gave me such a hard time. And she said...I guess they know my phone number...she said "Kimberly Bell, who's running for Mayor." What does that have to do with me calling asking for some service? See when it starts out small, it becomes into a matter like the 5 officers. It gets bigger and bigger, when you...when you...it's like a roof. When...when...you...you know it's a leak on the roof. You seen it...and you seen it was leaking and you kept putting it off and putting it off. Then the whole roof caves in. Same thing with these police officers. They start off small and they're behavior is...you know, overlooked. And it gets bigger and bigger until they can get away with...with what they can get away with. But she...she was so disrespectful. She hung up on me and then when I called back...she said something, no, I called back and I said, "Let me speak to a sergeant, a lieutenant." You don't call here asking for to...to speak lieutenant or sergeant. I was like, you know what little girl get off this phone. I mean they just so disrespectful. I mean they need some...these officers...you know... the need more...more training. If you don't like your job get another one. But they...I mean...it was...it...like I said my...my cousin was arrested. They...she was out late...she...on...Christmas day and they used, "I'm going to call Child Protective Services," to come get the kids and it's two other family members here. I mean you either killing us, you either putting us in jail on false charges, or you threatening to take out kids to use Child Protective Services to take our kids. That wasn't even necessary Office McKenney, badge 161. You didn't have to say that, putting the kids in fear, standing at the door watching you arrest their mother on Christmas day and then say you're going to call Child Protective Services to come get the kids. Don't...don't threaten us like that. I mean you already do enough against black people; and to traumatize the kids like that, was wrong.
