

Dear Resident,

The City of Canton is pleased to provide you with this **FREE** recycling container so that you may participate in our curbside recycling program.

Curbside recycling pick-up will begin the week of August 11th-15th. Until this time, you should *not* place your recyclable materials out with your trash. If you do place these materials out with your garbage, they will *not* be recycled.

If you have questions that are not answered by this postcard, you can log on to [recycle.cantonohio.gov](http://recycle.cantonohio.gov) to find out more!

Sincerely,

*Wm. J. Healy II*
