

HYDRANT

CONNECTION

STEP 1

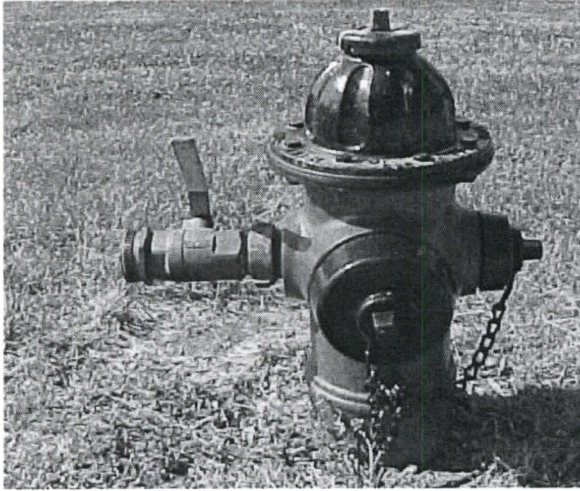

Make payment at CWD
2664 Harrisburg Rd NE

STEP 2

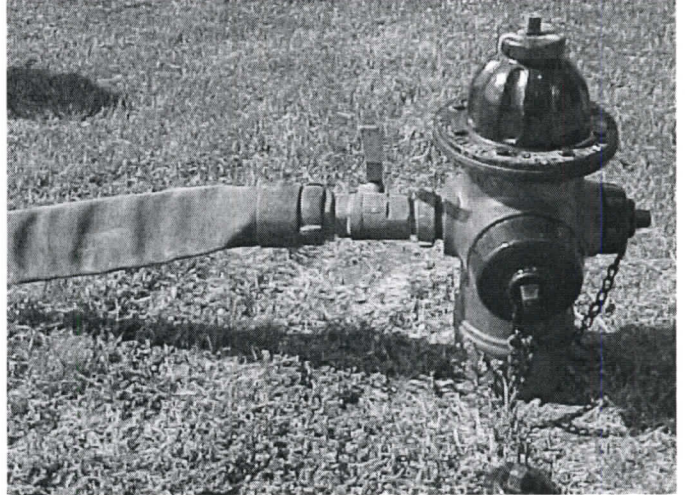

Hydrant in normal position.

STEP 3

Hydrant as you will find it with the hydrant connection attached. Valve is in "OFF" position. The hydrant is "ON". Do **NOT** remove connection.

STEP 4

Hydrant with your hose attached by you. Valve is in "OFF" position.

STEP 5

Valve in the "ON" position that you turned on as you fill your pool.

STEP 6

When finished filling your pool, remove your hose, but not the connection and call the CWD at 330.489.3315. The CWD will return and remove the connection.
