

Mayor's Proclamation

City of Canton, Ohio

RECOGNIZING CINTAS CORPORATION LOCATION 316 2016 MAYOR'S AWARD FOR ENVIRONMENTAL QUALITY CONTROL

- WHEREAS, each year the Water Reclamation Facility presents the Environmental Quality Control Award to a company that has been in full compliance with the City of Canton Pretreatment Program, has implemented an overall policy regarding control of industrial wastes, and has taken pollution prevention actions to reduce waste by recycling and reuse, and by replacing hazardous substances with non-hazardous materials; and
- WHEREAS, Cintas Corporation located at 3865 Highland Park Street NW in North Canton has provided uniform rental and laundry services for commercial and industrial businesses since 1994; and
- WHEREAS, the company employs strict production methods for controlling source pollutants and operates a dissolved air floatation pretreatment system to achieve discharge compliance while reducing water consumption and minimizing environmental impacts; and
- WHEREAS, Cintas Corporation maintains strict control of chemical and waste residual inventories with proper storage and identification, and implements appropriate spill containment measures to prevent the release of chemicals and wastes into the sanitary sewer system; and
- WHEREAS, over the years, Cintas Corporation has developed and implemented programs for pollution prevention, water conservation, waste minimization and recycling.

NOW THEREFORE, BE IT RESOLVED that I, Thomas M. Bernabei, by virtue of the authority vested in me as Mayor of the City of Canton, Ohio, do hereby recognize

CINTAS CORPORATION LOCATION 316

on this 3rd day of March, 2017, as the recipient of the 2016 Mayor's Award for Environmental Quality Control for their commitment to environmental stewardship, and urge all citizens to join me in publicly according them with the respect, honor, and admiration they truly deserve.

THOMAS M. BERNABEI
MAYOR
